REQUEST FOR DECISION ON PETITION

Bellevue, Washington 98004

April 19, 2006

TO THE COMMISSIONER FOR PATENTS:

The above-identified patent application is presently indicated on the Patent Office's Private PAIR system as abandoned. A Notice of Abandonment was mailed by the Patent Office on May 26, 2005. On June 13, 2005, applicants' attorney filed, by U.S. Postal Service Express Mail Service, a Petition to Revive an Unavoidably Abandoned Application under 37 CFR 1.137(a), including a Request for Refund, a Request for Extension of Time, a Request for Continued Examination (RCE), and a Preliminary Amendment. Fees for the Petition to Revive, Request for Extension of Time, and the RCE were submitted by check concurrently with the submission of June 13, 2005.

The Private PAIR site indicates that the documents submitted on June 13, 2005 were received by the Patent Office. The return postcard submitted with these documents indicates that they were received by the Patent Office on June 13, 2005. However, the site continues to indicate that the status date of the application is the date the Notice of Abandonment was prepared (May 25, 2005).

It is hereby respectfully requested that a Decision on Petition be issued regarding revival of the application.

Respectfully submitted,
